

CEA

Camden Education Association

the union
of teaching and support
professionals

CEA President, Robert Farmer

MY CEA is THE union of teaching and support professionals. We are committed to

- elevating respect for our teaching and support profession
- ensuring safe and fair working conditions
- promoting economic security for teaching and support professionals

My CEA is made up of me and you – ESP, and Certified personnel throughout the district-committed to the advancement of free, universal, quality public education.

When you join your voice with ours in CEA, you will enjoy

A United Voice at the school and district level to advocate for your professional treatment and economic security.

Legislative Action to ensure that your voice is heard in Trenton, NJ when it comes to policy and funding decisions affecting your profession.

Professional Development resources to enhance your opportunities for success as an educator and licensed professional.

Member Benefits including employment liability protection, work related complimentary life insurance, and nationwide discounts on products and services.

My CEA, hard at work every day for me and you!

**Join your voice with thousands
Camden City educators today**

Who is the CEA?

First, and foremost, it is **You! You are CEA!** You the teachers, paraprofessionals, , computer technicians, special investigators, stock person, van drivers, clerks, secretaries, child study team members, social workers, attendance officers, nurses, security officers, and other licensed staff make up the CEA. Together, we act as your exclusive bargaining representative.

CEA is a union of teaching and support professionals committed to elevating the education profession through collective advocacy for the advancement of free, universal, quality public education and ensuring safe and just working conditions and economic security for all members.

There is Strength in NUMBERS!
